Message from our Landscape Director

We are in need of your help! The beautiful landscaping that our hard-working volunteers placed in our rec area this spring is in need of weeding. Our neighborhood is going to be hosting our swim meet and we would like the area to look it's best! If you have a few minutes, please feel free to go by and pull a few weeds. The area along George Road needs the most attention, but we would appreciate your help anywhere in the rec area. Thank you.

Code Compliance Committee Formed!!

I am pleased to announce that the Castle Hills Forest HOA has approved the formation of a Code Compliance committee. This committee will work together to ensure that our community is in compliance with City ordinances concerning the maintenance of our homes, yards, and property. If you have any questions or are interested in joining this committee, please contact them at via our website under the "Latest News" column on the homepage.

Save our Park and Pool Campaign!

Our campaign is off to a wonderful start! So far, we have raised \$11,000. We launched our campaign with a re-vamped website where residents have the ability to donate via the internet. We are now in the process of organizing our "Block Walk". If you are interested in volunteering for our Block Walk, please contact Kim Aiken by **June 4th** at aikga@aol.com. We will be having a meeting June 10th at 7 pm at the Pool area in order to pass out materials and discuss the Block Walk. We hope to see you there.
