## Annual Neighborhood Landscaping & Clean-Up Day

**March 6th -- Park area -- 8:00 am - ??**

Our annual neighborhood landscaping/clean-up day will be on March 6th from 8 am until ????. Lori Chapa, our Landscape and Maintenance Chairperson, works very hard to ensure that our common areas are neat, clean, and well-maintained—thereby adding value to everyone's property. She does all of this with a handful of faithful volunteers and donations. Lori is aiming to get quite a bit of work done during this clean-up, so we need as many volunteers as possible to come and help. With the harsh winter that we've had,

we're going to have to clean out some dead and overgrown foliage, spread a large amount of mulch, and work on planting some new plants. Snacks will be provided.

If you have any of the following items, please bring them along with you: shovels, pruning shears, gardening gloves, blowers, extension cords, trash bags, wheel barrows, and any other gardening tools that you feel would help.

If you can't come and help, please consider a monetary donation to the Landscaping Committee. We'd really like to work on maintaining and improving our rec area and Lori has some great ideas! If you have any questions, please feel free to contact Lori at 878-7258.

## Theater Party Fundraiser

## Save our Park and Pool Campaign

Our "Capital Campaign" committee has been working hard on developing a game plan to generate the funds for re-surfacing the pool and improving our recreation area. Chris Corbett, co-chairperson of the committee, is optimistic that they will have a proposal for the Board by the March 10th monthly board

meeting. If you would like to join this committee, please contact Chris at:
