HOA Online Survey Now Available!

Our HOA needs your help!!

We are currently soliciting HOA member opinions about the future activities and expenses of our HOA. Thanks to our webpage director, Chris Corbett, we now have an online survey available. Head to our website and click on the "Neighborhood" link and scroll down to "Survey". Simply follow the directions to complete the survey—it is only ten questions long and has plenty of space for comments/ suggestions about the direction that our HOA takes. If you have any questions, please feel free to contact us at communicationsdirector@castlehillsforest.org

We are currently have two openings on our HOA Board of Directors. The positions available are Children's Activities and HOA Membership Director. If either of these is a position that you would be interested in, please call or contact us via our website.
